Dear Ms. Zakharova,

Just a short note to thank you for inviting me to the reception to celebrate the 5<sup>th</sup> Anniversary of the Art Studio "Palette" which was established in Burnaby in 2001.

I was very impressed by the excellent quality of work produced by your students. Young and old, they are fortunate to have access to a variety of art mediums to pursue their goals and polish their talent. As well, the learning environment and the professionalism of the teacher are key elements in their artistic development.

It was a real pleasure to encounter so many spirited people surrounded by their artistic contributions. The success of Palette is a result of your dedication and commitment to your students. Good luck with your future endeavours.

Yours truly,

Peter Julian, MP
